HAZARD STATEMENTS:
H304 May be fatal if swallowed and enters airways.
H412 Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS:
P210 If medical advice is needed, have product container or label at hand.
P212 Keep out of reach of children.
P304-305 IF SWALLOWED: Immediately call a POISON CENTER/doctor.
P331 DO NOT PROTECT TRAPPED.
P405 Store locked up.
P407 Dispose of contents/container to local/regional/international regulations.

DESCRIPTION OF FIRST-AID MEASURES:
- General information: In case of accident or if swallowed, see medical advice immediately (show the container or label if possible). After inhalation: remove casualty to fresh air and keep at rest. In case of respiratory tract irritation, consult a physician.
- After contact with skin: Wash with plenty of soap and water, in case of skin irritation: see medical treatment.
- After contact with eyes: Rinse cautiously with water for several minutes.
- In case of trouble or persistent symptoms, consult an ophthalmologist.
- After ingestion: Rinse mouth thoroughly with water. Let water be drunk in little sips. In case of burning do not induce vomiting, in all cases of doubt, or when symptoms persist, seek medical advice.

INDICATIONS OF POISONING:
P102 Do not give by mouth.
P103 Wash off with plenty of water. Remove contaminated clothing and wash immediately under running water. In case of skin irritation: see medical treatment.
P104 Send for expert medical assistance immediately. Keep referent data (toxicological data sheet) at hand. Get medical advice immediately. In case of contact with eyes: Rinse cautiously with water for several minutes.

INHALATION:
P235 Avoid breathing the dust/fume/gas/mist/ vapour.
P236 Remove所有的 personnel to an area with fresh air.
P237 Avoid prolonged or repeated exposure.
P238 In case of exposure: Wash the affected area with running water.
P239 Avoid breathing dust/gas/mist/vapour.
P240 Keep out of reach of children.
P261 Enlarge breathing area.

P374 Use a dust mask that passes ANSI/NIOSH test.
P375 Use dust mask that passes EN 149, FFP1, FFP2, FFP3 test.
P376 Use dust mask that passes EN 1869.
P377 Wear dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P378 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P379 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P380 Use protective clothing and self-contained breathing apparatus if dust is present.
P381 Use personal protective equipment.
P382 Use dust mask approved by the national or local (regulatory) authorities.
P383 Use dust mask that passes ANSI/NIOSH test.
P384 Use dust mask that passes EN 149, FFP1, FFP2, FFP3 test.
P385 Use dust mask that passes EN 1869.
P386 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P387 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P388 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P390 Keep out of the reach of children.
P391 Do not give by mouth.
P392 Use protective clothing and self-contained breathing apparatus if dust is present.
P393 Use personal protective equipment.
P394 Use dust mask approved by the national or local (regulatory) authorities.
P395 Use dust mask that passes ANSI/NIOSH test.
P396 Use dust mask that passes EN 149, FFP1, FFP2, FFP3 test.
P397 Use dust mask that passes EN 1869.
P398 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P399 Use dust mask that passes EN 140, FFP1, FFP2, FFP3 test.
P400 Keep out of reach of children.
P401 Wash off with plenty of water. Remove contaminated clothing and wash immediately under running water. In case of skin irritation: see medical treatment.
P402 Avoid breathing the dust/fume/gas/mist/vapour.
P403 Avoid prolonged or repeated exposure.
P404 In case of exposure: Wash the affected area with running water.
P405 Avoid breathing dust/gas/mist/vapour.
P406 Keep out of reach of children.
P407 Dispose of contents/container to local/regional/international regulations.
P408 Store locked up.
P409 Avoid breathing dust/gas/mist/vapour.
P410 Avoid prolonged or repeated exposure.
P411 In case of exposure: Wash the affected area with running water.
P412 Avoid breathing dust/gas/mist/vapour.
P413 Avoid prolonged or repeated exposure.
P414 In case of exposure: Wash the affected area with running water.
P415 Avoid breathing dust/gas/mist/vapour.
P416 Avoid prolonged or repeated exposure.
P417 In case of exposure: Wash the affected area with running water.
P418 Avoid breathing dust/gas/mist/vapour.
P419 Avoid prolonged or repeated exposure.
P420 Store locked up.
P421 Avoid prolonged or repeated exposure.
P422 In case of exposure: Wash the affected area with running water.
P423 Avoid breathing dust/gas/mist/vapour.
P424 Avoid prolonged or repeated exposure.
P425 Avoid prolonged or repeated exposure.
P426 In case of exposure: Wash the affected area with running water.
P427 Avoid breathing dust/gas/mist/vapour.
P428 Avoid prolonged or repeated exposure.
P429 Avoid prolonged or repeated exposure.
P430 Avoid prolonged or repeated exposure.
P431 In case of exposure: Wash the affected area with running water.
P432 Avoid breathing dust/gas/mist/vapour.
P433 Avoid prolonged or repeated exposure.
P434 Avoid prolonged or repeated exposure.
P435 In case of exposure: Wash the affected area with running water.
P436 Avoid breathing dust/gas/mist/vapour.
P437 Avoid prolonged or repeated exposure.
P438 Avoid prolonged or repeated exposure.
P439 In case of exposure: Wash the affected area with running water.
P440 Avoid breathing dust/gas/mist/vapour.
P441 Avoid prolonged or repeated exposure.
P442 In case of exposure: Wash the affected area with running water.
P443 Avoid breathing dust/gas/mist/vapour.
P444 Avoid prolonged or repeated exposure.
P445 Avoid prolonged or repeated exposure.
P446 In case of exposure: Wash the affected area with running water.
P447 Avoid breathing dust/gas/mist/vapour.
P448 Avoid prolonged or repeated exposure.
P449 Avoid prolonged or repeated exposure.
P450 Keep out of the reach of children.
